

Opening New Doors to Innovation, Quality and Support!

FOR IMMEDIATE RELEASE

CAMDEN DOOR CONTROLS RELEASES **ITS 2018 CATALOGS & PRICE LISTS**

January, 2018 . . . Mississauga, Ontario

Camden Door Controls, a premier provider of door activation and locking devices, is pleased to announce that its 2018 Catalog and Price Lists are now available in both U.S. and Canadian editions. The 100+ page books detail all of Camden's offerings, including product overviews, features, specifications and pricing.

Camden's comprehensive product line spans Electrified Locks, Relays and Timers; Door Activation Devices; Industrial Door and Gate Controls, and Telephone Entry and Access Controls. Copies can be requested and downloaded via the Camden Web site at <http://www.camdencontrols.com/>

“Security dealers and integrators can look to Camden for all their access control product needs,” says David Price, Marketing Manager, Camden Door Controls. “Our new 2018 Price List and catalog showcase our extensive offerings and the latest technologies Camden brings to market.”

ABOUT CAMDEN DOOR CONTROLS: Camden Door Controls is an industry-leading provider of innovative, high quality and competitively priced door activation and locking products. Camden backs its products with superior customer service, technical support, product delivery and warranty. Camden is ISO 9001:2008 registered, with extensive product development capabilities, and maintains a 20,000 ft. manufacturing facility. Camden products are designed for compliance to UL standards, building/fire codes and ADA requirements. For more information, please visit <http://www.camdencontrols.com/>
